DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This farmhouse is a one and a half story, three bay stone structure built of large hammer faced native limestones. Smaller wedge shaped stones are centered above front elevation openings and suggest keystones. Attached to the house is a one and a half story German sided structure possibly of log. Nearby is a brick outkitchen, a frame tenant house and a modern gambrel roofed barn.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This complex is a typical 19th century Washington County farmstead. The stone house would appear to date from the second quarter of the 19th century. The other buildings seem to be more recent.
